(d) Choose **three** powerful words or phrases from the extract below to analyse how the writer uses language to describe meeting the wolf pack.

'Next morning, emboldened by a hearty breakfast, Stig and I venture out and immediately spot the wolf pack loping eagerly towards us. They jump up excitedly, licking our faces. Two of them have a snarling stand-off over who should lick me first but then agree to lick my camera instead. Apart from that one moment, it's all remarkably non-threatening. We stroll to a low snow-covered hill where they do a bit of a howl and hold a wrestling contest. Only when I drop my phone is there a sudden intimation of what can happen. They are instantly curious and pushy, flooded with predatory instincts and the power of the pack. Moving slowly, I retrieve my phone and retreat to a respectful distance. Cute they may be, but cuddly toys they are not.'

Write about 200 to 250 words.

Up to 10 marks are available for the content of your answer.
